From the Pastors Desk

It has been a blessing of confidence in the family of believers that make up the Meherrin Baptist Church to see more and more members stepping up to utilize their gifts for the purpose of serving others and pointing them to Jesus! As we set out to accomplish much in the way of making disciples and reaching the lost with the Gospel, there are a growing number of young and old who are excited about establishing and working hard to exceed goals that will have eternal value in the Kingdom of God. For too long, many churches have had people who "sit on their hands", but I'm thankful to see we have so many who are willing to put their hands and feet to the task! The evidence is abounding as we have recently seen both Sunday School leaders as well as Wednesday night leaders implementing strategies that are reaching families that are unchurched. We see it in those who continue to take seriously the challenge to invite unchurched people to worship with us each week. Moreover, my family has seen it in the outpouring of love through visits, cards, gifts, and prayers through October (Pastor Appreciation Month). And we say Thank You!

None the less, we continue to have much to do for our Father's Kingdom, so let us not get caught "sitting on our hands". Let's continue to plow forward because there is fertile ground in front of us and we must use what the Lord has gifted us with to work that ground! *Peter writes in 1 Peter 4:10 that as Christians, we have each been given a gift by the Holy Spirit that is intended by God for us to use for His glory in ministry.*

Lastly, let us each fulfill our part in reaching and making disciples! May your witness to others be genuine and may your invitation to others be instrumental in great harvest.

May the Lord find us faithful,

Pastor John
